## **BAG CONTROL/SPOT CHECK**

The spot check will be held on **Saturday, 27<sup>th</sup> July 2019 at 07:00 am on “prati di Talvera”.**

The required material will be **checked before the race.**

The organisers may require contestants to bring other equipment before the start. **Spot checks** to verify the equipment **will be made along the circuit and at the finish line.**

## **RETURN**

If for any reason, an athlete terminates the run, he/she will be responsible for his/her own return. The race's organization has set up a shuttle service at strategic points. These points are marked in the map of the route. Please reckon with waiting times.

## **START NUMBERS**

The start numbers will be assigned in **Bolzano, Sportler Flagship Store (portici 1), on July 26<sup>th</sup>, 2019 from 10:00 am to 07:00 pm and on July, 27<sup>th</sup>, 2019 from 05:00 am to 06:30 am on the fields of Talvera (starting area).**

Each participant will be provided with:

- **1 start number:** one must be worn in a clearly visible position in front on the chest. The start number provides access to catering areas, first aid and rest points, the clothing storage area, the showers and the shuttle service. In addition to your start number, you will also be given a sticker for the runner bag at the finish line.
- **Chip:** a chip must be fastened to the wrist or ankle; it must not be carried in your backpack. Before the start of the race, participants must go through the gates to the starting area and register for the chip, which will be given to each participant. The chip must be returned immediately after arrival at the finish line, where the deposit of € 30.00 will be returned.
- **Map of the route:** all contestants will be given a map of the route that shows the locations of the catering points, check-points and additional useful information.

## **BRIEFING**

A briefing will be held on **Saturday, July 27<sup>th</sup>, 2019 at 06:30 in Bolzano (Prati del Talvera)**. All participants must attend.

## **ATTENDANTS**

Attendants are allowed, but must comply with the rules of the race and must not offer unfair assistance (carrying, pulling, pushing, transporting equipment by car). But, they can encourage and provide moral support to participants. If an attendant does not obey the rules and regulations of the race, the participant will be disqualified.

## **SAFETY AND MEDICAL CARE**

Along the route there will be assistance points with phone connection to the race control, ambulances, civil defense service and a number of doctors. The assistance services are required to help participants who are in trouble and to use the organizers' resources. The race judges, official doctors, auxiliary personnel, White Cross, and the official mountain rescue service are authorized to exclude any participant from the race, who are considered to be unfit. Auxiliary personnel are authorized to evacuate -with all means at their disposal - any participant considered to be in danger.

If necessary, the official mountain rescue service will be called in. It will then take charge of and employ all suitable means (including helicopters) at its disposal.

The decision to call the mountain rescue service in order to aid a person requiring assistance is exclusively left up to organizers' staff. Any expenses associated with the use of these extraordinary means will be charged to the participant receiving assistance, in accordance with applicable regulations.
